2024 is here!! The Wabasha County Fair Board has been busy planning for the 156th Wabasha County Fair. This year's festivities are scheduled to take place July 17-20, 2024 and we hope you will help us with this county celebration for all ages.

2023 was a fantastic year for our Fair despite the hail storm Saturday night. We had many free attractions including the Rock-N-Circus Show, bounce houses, and petting zoo. There were over 850 4-H entries from over 160 youth exhibitors. There were also many open class exhibits that were displayed by more than 150 various local exhibitors.

This year we are thrilled to bring back Bull Riding Friday night and two AutoCross shows - Wednesday and Saturday night. Splitting up the Auto Cross show will allow the show to wrap up before midnight each night. Additionally, we are excited to provide free family friendly shows including a new Ninja Experience act, John Cassidy Comedy and Magic show, free inflatables, and much more. These are all made possible by your generous donations.

Your support not only assists us in bringing in entertainment, educational events, 4-H and FFA activities; but also to pay for the day to day maintenance and upkeep of the fairgrounds and its infrastructure. This year we are replacing the roof on the Event Center after it was damaged in the hail storm last year as well as improving the rest rooms. Additionally, work is going into expanding the grandstand area and improving the experience for participants and attendees. These repairs and improvements are critical to make sure that the fair is accessible and enjoyable to all fair-goers.

The Wabasha County Agricultural Fair Association is operated by a volunteer board. There is no stipend for meetings or mileage paid. The Fair Association and the 4-H Program (extension) operate totally separate. The fair provides the buildings, utilities, maintenance, entertainment, judge's pay, premiums, and all operations of the fair.

We are constantly amazed at how generous our local businesses are, and we appreciate the support we've received over the years in the form of products, services, and monetary donations. As a 501(C) 3, your support is tax deductible. Your donations have helped us greatly improve the fair in recent years and we hope to continue to build on this momentum.

In recognition of your donation your business name will appear on our website and on our Donation Boards at the fair. For donations over \$1,000 we will display your provided banner in the Grandstand for both events. We hope that you will consider supporting the Wabasha County Fair!

Thank You,

Barb Petit, Paul Luhmann, Katie Brown, Robert Sexton

Wabasha County Fair Board
